

Strategic Plan 2010

Goal: Expand Employment Services

- **Objective** **Expand Organizational Chart to include a Director of Employment Services**
- **Objective** **Include The Attic and EO Recycles as Employment options under the same organizational umbrella**

Goal: Become a Leader in the area of Developmental Disabilities (Rights, Advocacy)

- **Objective** **As an agency support actions and policy that will encourage leadership and learning**
- **Objective** **Within our agency support committee work that is inclusive**

Goal: Present Endless Options as a valued member of the service based business community

- **Objective** **As an Employer, maintain adequate numbers of full time and part time staff (flexible, friendly and family- oriented)**
- **Objective** **as an Agency, support staff to have local memberships in groups that promote our agency and our community within the business and service communities in the county, region and state.**

Goal: Residential Services that Span Life Issues

- **Objective** **Create an infrastructure that meets the staffing needs for the people served**
- **Objective** **Build a system of training that will effectively teach staff “best practices” for working with challenging behaviors**

Goal: Cultivate Day Services that offer participants ways to access meaningful life experiences

- **Objective** **Build an infrastructure that will support the work of the program**
